PROFILE

I am a Bachelor of Information Technology Education (Indonesian degree: S.Pd.) from Universitas Negeri Surabaya graduating with Very Satisfactory with a GPA of 3.63 after completing 62 courses (151 credits). I have strong enthusiasm, interest, and talent in becoming a web or application programmer. Throughout my studies, I gained knowledge in teaching, web and application programming, multimedia, and networking. To enhance my practical skills, I also completed 6 programming courses on Cisco, Dicoding, Digitalent and Progate.

TECHNICAL SKILLS

Administration | Costumer Service | Teaching | Game Development | IT support | Web & Software Development

PROFESSIONAL EXPERIENCE

ADMIN STAFF | Pinus Florist | Surabaya 2025 – 2026

Responsible for managing administration and customer orders, serving customers both in-person and online, operating computers for data entry and reporting, and ensuring smooth store operations and customer service.

STAFF | Puncak Group | Surabaya 2024 – 2024

Managed parking operations for more than 1,000 vehicles per day, improving efficiency and customer satisfaction through effective management.

SOFTWARE ENGINEERING TEACHER (INTERN) | SMK Semen Gresik | Gresik 2024 - 2024

Teaching and coached individual students and groups in Vocational Program in Software Engineering (RPL).

- Developed a hands-on learning approach for teaching computer concepts
- Organized and led workshops and bootcamps for student workshop
- Organized and participated in various school events and activities.

SOFTWARE PROGRAMMER (INTERN) | Quantum Leap | Sidoarjo 2023 - 2023

Actively developed software using ASP.NET and Microsoft SQL during my internship. Under the mentorship of experienced professionals, I contributed to creative problem-solving and expanded my technical and industry expertise.

- Developed an Enterprise Resource Planning (ERP) software for PT PLN Nusantara Power (formerly PT PJB)
- Developed an Enterprise Resource Planning (ERP) software "BUDI JAYA Integrated System(BJIS)" for PT BUDI JAYA AMENITIES
